

Best New Consultancy

Prederi

Prederi helps you construct solutions that deliver positive change in the community and value for the taxpayer. We provide expert advice, consultancy, training and programme management. Working alongside you, we help you to set the right strategies, develop pragmatic plans, deliver change, develop capability and address operational issues. We challenge traditional consulting models, delivering flexible, tailored expertise at the right level and right pace. We work collaboratively with clients across the public sector to solve the challenges they face in their organisations and operating environments.
