**NECSConsultancy with NHS England Midlands & East**

In May 2016 NECSConsultancy won a competitive tender to deliver NHSEngland - Midlands and East Urgent and Emergency Care (UEC) Programme Management Office (PMO). This began our journey to deliver a best in class solution that initially met, then exceeded expectations and ultimately transformed the delivery of UEC PMO across Midlands and East. Our unique partnership approach underpinned by shared values enabled rapid onsite implementation with a robust delivery focus. This allowed us to demonstrate immediate value adding activities to the client; build a platform for relationship development and ensure a legacy of system level transformation.
