

Procura Consulting is delighted to be a member of the Management Consultancies Association.

We believe strongly in the values of Consulting Excellence in demonstrating quality, values and professionalism in our work with clients, and in enhancing the capabilities and development of our people.

The nine core values of Consulting Excellence align with the delivery of Procurement Excellence to our clients.

#### Ethical Behaviour

Procura Consulting works with clients, partners, employees and other stakeholders in an ethical way.

This means:

- ☑ We are responsible and good citizens
- ☑ We conduct our business ethically
- ☑ We foster an ethical culture

#### Client Service and Value

Procura Consulting promotes the highest standards of client service and value.

This means:

- ☑ We provide excellent consulting services which deliver the outcomes clients seek and need
- ☑ We are transparent with clients and respond to their concerns
- ☑ We always strive to improve the value we can deliver to our clients

#### Professional Development

Procura Consulting develops the capabilities of our consultants, provide career development opportunities and supports the welfare of all our employees.

This means:

- ☑ We undertake training and professional development planning each year
- ☑ We promote strong core consulting capabilities and specialisms in our consultants and teams
- ☑ We support our employees' career progression, professional development and welfare
